

Dear Customer:

In regards to your recent request for schematics on your Compugraphic equipment, print packages are available for a nominal charge which covers the expense for printing, handling, and postage. The enclosed list identifies the various print packages available, their part numbers, and the charge for each.

All orders should be addressed to the Compugraphic Parts Order Department using the regular parts order form (a copy is enclosed). In ordering, identify the desired print package by document part number and also by equipment model and serial number.

Thanks for your interest in Compugraphic. We appreciate having you for a customer.

Sincerely,  
COMPUGRAPHIC CORPORATION
