To Dealers and Consumers

Readers who are interested in any office equipment product not represented in the display columns of this magazine can secure all desired information by writing to us direct. In both the New York and London offices of "TOPICS" is a man perfectly familiar with every line in existence, and his personal attention will be given to all inquiries. Users or dealers will gladly be assisted in their efforts to arrive at conclusions as to the reliability of any article of office equipment made in America or Europe.
