MISCELLANEOUS.

40c. per line, each insertion. 8 words to line.

A. MULLER & CO., Zurich, Switzerland, are open to receive propositions from office equipment manufacturers. Any article which can be introduced to advantage in all the countries of Europe will be considered. An organization equaled by none is maintained in England and the Continent, thus offering an opportunity to producers impossible through any other channel. Jan 10, tf.

BERLIN, GERMANY—Renewed contracts with the manufacturers I represent have proved that I have given them satisfaction and that my business methods are right. With my experience and up-to-date organization I am prepared to consider sole agencies of first-class Office Equipment products for Germany or larger territories in Europe. Carl E. Halbarth, Friedrichstr. 78, Berlin, Germany.

"PRIMUS" non-grease RIBBONS AND CARBONS have secured the largest users in London. Sole agencies are offered to Provincial and Continental dealers who prefer superlative quality to price-cutting. Also under dealer's own brand. Write for particulars to The Greaseless Ribbon & Carbon Co., 16 and 18 Knightbridge Street, London, E. C., England.

DO YOU WANT to increase your export business? I have been engaged for years in executive and sales departments of leading office supply companies. Am planning a European trip to further the sale of American products—remember that a quiet home market does not mean that a similar condition prevails abroad. The time to prepare for export business is NOW. If you are not at present represented, write for further information and proposition. Address Box 9, care TOPICS, 309 Broadway, New York. tf.

PROMINENT manufacturers in all good export articles desirous of a good and lasting connection would do well to communicate with B. J. Rubens & Co., Amsterdam, Holland. Mch. 10, 12t.

BELGIUM—Sole agencies for Office Equipment products considered by the Underwood agent. Modern shops (branches) and representatives in all districts. Charles Desoer, 4 Rue Gérardrie. Liège, Belgium. Oct. 09-12t

PATENTS Chatwin, Herschell & Co., 22 Gray's Inn road, London, W. C., Patents agents and U. S. A. Attorneys. Booklet free. June 10, 12t.

REBORA, BEUF & CO., Milano and Genoa, Italy. We have been Underwood men for ten years and have a powerful provincial organization. We solicit offers for agencies of office equipment products for Italy and Colonies. June 10, 12t.

THE NEW PATENT ACT FOR THE BRITISH ISLES is of vital importance to manufacturers of Typewriter Duplicating machines. Those wishing to avail themselves of the British market, should have their type made in England, to come within the law. We have laid ourselves out to do this kind of work in printer's metal type for duplicators and addressograph machines, either rotary or flat bed principle, and are supplying the leading firms. Prices on application. E. & F. Gyles, Type Founders, 4 & 5 Crawford Passage, Farringdon road, London, E. C. Established since 1864. June 10

SPAIN. Agencies wanted for Office Equipment products. First-class furniture a.s.o. Long established and well organized. Modern shop and branches. Ramiro Garcia Suarez, Carrera San Jeronimo 30, Madrid. Apr. 10, 12t
