

K E L S E Y P R I N T I N G C O U R S E

Thank You---

for your enrollment in the Printer's Course. To the printer with more or less experience, the first lessons will probably seem almost too simple. However, to make the course complete, they must be included. The more informative parts will come later.

Suggestions, comments and criticisms will be welcomed at all times. We urge that you obtain a binder and file these lessons for easy future reference, as well as to avoid their becoming mislaid.
